STEAM support

Science • Technology • Engineering • Art • Maths

STEAM education is an education about Science, Technology, Engineering, Art, Maths. In the comparison of the strength of a country, the number of people getting the degree of STEAM becomes an important indicator. STEAM plan of US government is a plan to encourage student to study STEAM as a major. Government also extends the investment of Science, Technology, Engineering, Art and Maths to cultivate the literacy of science and technology of students.
